## COPY OF B.S.A. MOTOR CYCLE SPARE PARTS GUARANTEE

We give the following guarantee with B.S.A. Motor Cycle Spare Parts, instead of the guarantee implied by statute or otherwise, as to the quality or fitness of such parts for the purpose for which they are intended, any such implied guarantee being in all cases excluded, nor can any claim for consequential damages be entertained

**WE GUARANTEE**, subject to the conditions mentioned below, that all precautions which are usual and reasonable have been taken by us to secure excellence of materials and workmanship, but this guarantee is to extend and be in force for six months only from the date of purchase, and the damages for which we make ourselves responsible under this guarantee are limited to the replacement of any part which may have proved defective.

**WE UNDERTAKE**, subject to the conditions mentioned below, to make good at any time within six months any defects in these respects. As motor cycles are easily liable to derangement by neglect or misuse, this guarantee does not apply to defects caused by wear and tear, misuse, or neglect. The term "misuse" shall include among others the following acts: The attaching of a sidecar to the motor cycle in such a manner as to cause damage or calculated to render the latter unsafe when ridden; the use of a motor cycle or a motor cycle and sidecar combined when carrying more persons or a greater weight than they were designed to bear.

### REPAIRS AND RENOVATIONS GUARANTEE

Any B.S.A. motor cycle sent to us to be replated, re-enamelled, or repaired will be treated upon the same conditions as if it were a new motor cycle, i.e., we guarantee that all precautions which are usual and reasonable have been taken by us to secure excellence of material and workmanship, such guarantee to extend and be in force for six months only from the time such work shall have been executed, and this guarantee is in lieu and in exclusion of any Common Law or statute warranty, and the damages recoverable are limited to the cost of any further work which may be necessary to amend and make good the work found to be defective.

## B.S.A. SERVICE

When you purchase a B.S.A. machine you become the owner of a product which is backed by the most comprehensive motor cycle service in the world. The following notes are intended to give a guide to the facilities to the B.S.A. owner. Detailed information on any aspect of B.S.A. service may be obtained by discussion with your B.S.A. dealer or on application to the factory Service Department.

### REPLACEMENT PARTS

The moderate price at which B.S.A. replacement parts are available, has been maintained by making full use of trade distribution channels, with the consequent advantages of large consignments delivered from the works with lower handling, packing and transport costs. For this reason, we do not normally supply spares direct to individual owners, and all requests for replacement parts should be made to your local dealer or spare parts stockist. All B.S.A. dealers carry stocks of B.S.A. replacement parts, but the officially appointed spare parts stockists, whose names and addresses are quoted in the following pages, maintain an extensive and comprehensive range. B.S.A. owners are strongly advised to fit genuine B.S.A. replacement parts only. Risks are incurred in not always insisting on the genuine component, and these risks are eliminated if parts are purchased only from our recognised dealers.

### B.S.A. EXCHANGE REPLACEMENT SERVICE

The B.S.A. Exchange Replacement Service is of great value to all B.S.A. owners. It is particularly useful to those who rely on their machines for daily transport, and who cannot afford to have them off the road for more than a few hours at a time. Under this scheme the owner can exchange any worn or otherwise unserviceable unit, such as engine, gearbox, forks or wheels, for a fully-guaranteed factory-assembled replacement unit. These units are ready for immediate use, and are supplied at fixed prices on the understanding that the old units which they replace are not damaged to a degree where they are not capable of being reconditioned.

All genuine B.S.A. Exchange Replacement units carry the full six months warranty. Most B.S.A. Dealers and officially appointed spare parts Stockists are able to supply genuine exchange units from stock. If this cannot be done, they can obtain the unit for you quickly from the works, and make arrangements for it to be fitted to your machine, afterwards returning the old unit to us. In this way the machine need only be off the road long enough for the conversion to be made. Full details of this scheme can be obtained from your B.S.A. Dealer, and an explanatory leaflet and price list will be sent upon request to B.S.A. Service Department.

### CORRESPONDENCE

We maintain a skilled staff to help you with any query, technical or otherwise which you may have concerning your B.S.A. machine. We are always anxious to help, and all correspondence should be addressed to us at:—

B.S.A. Motor Cycles Limited,  
Service Department,  
Montgomery Street,  
Birmingham 11.

### CONDITIONS OF GUARANTEE

If a defective part should be found in our motor cycles it must be sent to our Service Department, carriage paid, and be accompanied by an intimation from the sender that he desires it repaired free of charge under our guarantee, and he must also furnish us at the same time with the number of the frame and engine, which will be found stamped on the seat or head tube lug and crankcase respectively, the name of the Dealer from whom he purchased, and the date of the purchase.

Failing compliance with the above no notice will be taken of anything which may arrive but such articles will lie here at the risk of the sender, and this guarantee or any implied guarantee shall not be enforceable.

We do not guarantee the specialities of other firms, such as tyres, electrical equipment, saddles, etc., or of any component part supplied to the order of the purchaser differing from our standard specifications, whether supplied with our motor cycles or otherwise.—

### THE TERM "AGENT"

We do not appoint agents for the sale of our Motor Cycles or other goods. We assign to Motor Cycle Dealers (styled "Regional" Dealers), who carry on business on their own account, areas in which they have the exclusive or other right to sell goods purchased from us. A Regional Dealer purchasing from us, or a Sub-Dealer purchasing from him, may, on our behalf (as our agent for the purpose only) give the guarantee printed above. Any such dealer is not authorised to advertise, incur any debts, or transact any business whatsoever on our account, nor is he authorised, so as to bind us to give any warranty or make any representation on our behalf or to sell subject to or with any conditions other than those contained in such guarantee.

### REPAIRS

(1). All motor cycles, engines or components for repair should be consigned to the factory Service Department at the following address:—

B.S.A. Motor Cycles Limited,  
Service Department,  
Montgomery Street,  
Birmingham 11.

Full instructions must accompany all items sent to us for repair. If we are simply asked to overhaul a machine, all component parts will be completely dismantled and inspected, all worn parts will be renewed and the machine re-assembled and tested to original inspection standards.

(2). When sending complete motor cycles, accessories such as windscreens, panniers, Club badges, tools and inflators, should be removed as they are liable to be damaged or lost in transit.

(3). It frequently happens that parts are forwarded to us which do not bear the senders name and address. Care in this respect will prevent delay and annoyance.

(4). All goods consigned to us must be sent carriage paid.

(5). Immediately we receive a part for repair, an acknowledgment and confirmation of your instructions is posted to you. If you have occasion to enquire by letter or telephone about the progress of the repairs, please follow the instructions printed on your form of acknowledgment.

### SERVICE LITERATURE

An Instruction Book is supplied free of charge with each machine and contains all the information required for routine maintenance, and top overhaul. For the normal owner this book will cover all the work that he is likely to undertake. Further copies of Instruction Books to cover all post-war and most pre-war models are available from the Service Department.

For the guidance of Dealers and other skilled mechanics, the Service Department also issues Service Manuals to cover each model. These manuals contain detailed instructions for complete dismantling and overhaul, and describe the special tools and jigs which are necessary for this purpose. The B.S.A. owner who has considerable mechanical experience, and feels that he is competent to carry out this more skilled type of work may obtain a copy of the Service Manual for his machine from the Service Department.

Additional Instruction Books are priced 3/- plus 3d. postage, and the Service Manuals are 7/- plus 6d. postage, for each model. Full details of the machine should always be quoted.

### HOURS OF BUSINESS

Our Service Department is open from 8.30 a.m. to 5.30 p.m. Monday to Friday, excepting holiday periods and we are pleased to see B.S.A. owners, and if necessary, to inspect and advise on the condition of their machines.

We cannot guarantee, however, to be able to service any machine if a call is made without an appointment, and even when calling by appointment, an owner should be prepared to leave his machine with us, in case the work cannot be completed on the same day.

A commissionaire is always on duty to receive machines brought to the Service Department by appointment, at any time of the day or night, on any day of the week, and similar arrangements are made for collection. Any machine delivered to us after hours should, however, be accompanied by full instructions in writing, together with the owner's name and address.

#### SUFFIX NUMBERS TO BE USED TO IDENTIFY VARYING FINISHES

|      |   |
|------|---|
| /001 | Cadmium   |
| /003 | Bright Chrome   |
| /007 | Black Enamel  |
| /44  | Chromium with Black Hubs                                      |
| /99  | Petrol Tank, Bayard Crimson with Ivory Panels and Gold Lining |
| /105 | Bayard Crimson  |
| /125 | Chromium with Bayard Crimson Hubs                             |
| /126 | Petrol Tank, Black with Ivory Panels and Gold Lining          |

When ordering components with varying finishes, i.e., Petrol Tanks, Wheels, Rims, Brake Rods, Front Fork Oil Seal Holder—please state finish required by adding the appropriate number to part number.

**EXAMPLE.** Petrol Tank, Bayard Crimson with Ivory Panels 90-8045/99.
