

SERVICE SHEET NO. 23

'A' GROUP MODELS

OIL PUMP GEARS.

A7 Swinging Arm	Engine No.	CA752980
A7 Shooting Star	" "	CA7SS-2591
A10 Plunger	" "	BA10-14762
A10 Swinging Arm	" "	CA10-9414
A10 Road Rocket.	" "	CA10RR-2113

On and after the above engine numbers, oil pump gears of an improved type are fitted. Since these have a modified tooth form, they cannot be used to replace the earlier type unless fitted in pairs.

When existing stocks of the earlier pattern are exhausted, orders for these will be supplied with the appropriate pair of new gears.

Oil Pump Feed Gear	(Driving)	67-1403
