## PARTS SERVICE BULLETIN

No. G.A.12.

### "A" GROUP MODELS FITTED WITH CRANKSHAFT ALTERNATORS.

To bring the Police model specification into line with other "A" group models, a new crankshaft, having the same crankpin diameters as the other "A" group models is fitted to these machines after engine number DA10A-101.

Part numbers affected are as follows:-

<u>Old Part No.</u>	<u>Description.</u>	<u>New Part No.</u>
42-79	Crankshaft & flywheel ass.	42-91.
65-615 (2)	" oil hole plug.	67-1211.
67-301 (6)	Flywheel bolt.	67-1213 (3).
15-1555 (6)	" " washer.	67-4707.
67-666	Crankshaft grub screw.	67-1212.
67-1204	Connecting rod (G/S).	67-1206.
67-1203	" " (D/S).	67-1205.
67-320 (4)	Big end split shell.	67-1430 (4).
67-1535 (4)	Connecting rod bolt.	67-1536 (4).
New	Crankshaft oil tube.	67-1220.

The old crankshaft assembly 42-79 will no longer be available and when replacement by a new assembly is required 42-91 will be supplied together with connecting rods and shells. Supply of all other parts will continue.
