WARRANTY REPLACEMENT PARTS

OUR FISCAL YEAR ENDS JULY 31ST. WE WANT TO CLEAR-UP ANY CREDITS THAT MAY BE DUE YOU.

Please send the Warranty replacement parts you may have on hand NOW!

Be sure you fill in Warranty CLAIM TAGS on the defective or damaged parts you send us. You must write in full details including engine number, frame number, mileage and the Invoice Number on which you received the replacement part or parts.

The Invoice Number is required so that our Bookkeeping Department will pass credit for the exact amount you were billed.

PLEASE MAKE REPLACEMENT PART SHIPMENTS AND CLAIMS RIGHT NOW SO WE CAN GET THEM CLEARED-UP BEFORE JULY 31st.

We thank you for your cooperation.
