NEW IMPROVED LUCAS SERVICE

SEND ALL LUCAS WARRANTY PARTS & CLAIMS TO THE LUCAS ELECTRICAL

SERVICE FACTORY BRANCHES

Lucas has established factory branches throughout the United States to provide localized service on their Electrical Equipment and Girling Rear Suspension Units.

The Electrical Equipment and Suspension Units are guaranteed by their manufacturers so arrangements have been made with the Lucas management to handle all Warranty Claims on their products for your convenience and for prompt attention.

Lucas branches are set up to provide this improved service so from this date on send all Lucas Warranty Parts and Units, as well as Girling Rear Suspension Units, directly to the Lucas Branch in your area along with Claim Tags and Requests for Adjustments.

We will not be prepared to accept any Warranty parts or requests for adjustment on Lucas and Girling products, so please be sure to send them directly to one of the Lucas Branches listed below.

Address shipments and correspondence to Lucas Electrical Services Incorporated at their nearest location to your store.

30 Van Nostrand Avenue
