Foreword

THIS PRICE LIST of Ferodo brake linings, clutch facings, drive belts and ancillary items for motor cycles, scooters, mopeds, three-wheelers and invalid carriages supersedes all previous Ferodo motor cycle price lists.

Prices which are for every item that has ever received a Ferodo reference, are presented in order of catalogue reference. Prices per set are included, and also fitting charges which are net additions to invoice and are *not* subject to discount.

Boxed sets of linings and clutch facings comprise a separate section of the publication. In some instances, where a boxed set has been given a new reference, it appears twice in the list, under its old and new references.

For pricing purposes, the various types of Ferodo material referred to in the price columns are as follows —

Non-metallic — All AM, DM, MR, MS, VM and AN11 types

Metallic — Ferodo BA, MZ, RAD5, RAD11 and AS10 types
