# MISCELLANEOUS PARTS

6018 SLIP RING SINGLE  
OR 4-CYLINDER

6025 SLIP RING  
RIGHT HAND

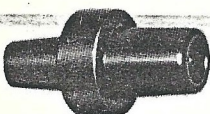

LEFT HAND

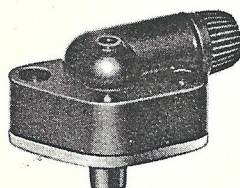

With the boss of the ring to the top and towards you, the segment trailing to the left hand denotes a left hand rotation magneto.

Right hand rotation is determined in a similar manner with the segment trailing to the right hand.

All 180° Magnetos have the segment centrally positioned with the boss.
