1	See Note	T.T. Float Chamber-Rigid Mount	19.50

NOTE: Specify what angle float chamber is required when ordering rigid float chambers for the T.T. carburetors and state year and model of motorcycle on which it is to be assembled. The remote float chambers can be used with all G.P. and T.T. racing carburetors.

1 pr.	B639	1-1/16" Dual Mono-Bloc Carburetor	63.00 A
1 pr.	B640	1-1/8" Dual Mono-Bloc Carburetor	66.00 A

NOTE: One of the carburetors has a "cast in" float chamber.

1	313/2	Throttle for Dual Carburetors	8.70 A
---	-------	-------------------------------	--------

This special throttle has provisions for two throttle cables. The cables may be ordered according to the type of carburetors on the engine.

The carburetors listed above are available for replacements when oversize or racing carburetors are desired to improve engine performance.
