

OCT. 1957.

SERVICE SHEET

No. 43.

VALVE GUIDES.

A.7. S/S & A.10. R/R MODELS.

In the interests of standardisation the material used for the valve guides on the Shooting Star and Road Rocket models has been changed from Hidurel 5 to Cast Iron.

Interchangeability is affected in that the bore of the valve guide hole is smaller for Cast Iron.

<u>OLD PART NO.</u>	<u>QUANTITY.</u>	<u>NEW PART NO.</u>
67-1140. <i>o/s no. 67-1110-5712</i>	4	67-31.

This change takes place on and after the following engine numbers.

- Shooting Star engine C.A.7. SS.4025.
- Road Rocket " C.A.10.R. 5603.
- Scrambles Rocket " C.A.10.SR. 371.
